December 2009 Praise & Prayer Letter

Bearing Precious Seed-So many changes in our country this year, many of which are not good. But, the thousands and thousands of copies of John/Romans that have gone into communities across America is GOOD! And, praise the Lord for the increased requests from around the world where the need is so great. The Arabic, Thai, Lithuanian, Spanish, English, Bi-lingual—all that we have recently finished and are working on are going or gone around the world. Even languages that we are hardly aware of are begging for the Word of God. Rick Teremi has spent many months working on his computer “cleaning up” a copy of the Urdu Bible. He is not finished yet, but the John-Romans is ready to print and we hope to have 100,000 of those ready to assemble by the first of the year for Pakistan.

Local Church Bible Publishers-We have added a special page to some of our item # 265's and # 180's, making them our new “military edition” Bibles. They have a special title insert page for your choice of service branch (Army, Navy, Marines, Air Force, or Coast Guard), and are a perfect gift for your serviceman or woman. Also, the demand for more colors has been heard, and we have added pink/black as our newest color! Check our website or call for more info. Enclosed again this year is our special gift to you--our “sticky” calendar. We have traveled well over a million miles in the ministry, always keeping one of these calendars on the dash of our vehicle and hope you will find a special place to put yours as well.

Calvary Publishing-Praise the Lord for all of the books we have recently reprinted. This is a great encouragement to us that so many of our books are so well received and well read. Please pardon our website as this is our busiest time of year and we are hoping to have all of our book descriptions updated and our website completed by early 2010.

Personal-The Lord is blessing and He is so good to us. Lee is on a new medicine for her rheumatoid arthritis, which we hope will help her some. I have a routine doctor appointment in December which I expect to be normal. Our oldest granddaughter will be home for Christmas from her first semester of Bible college. The twins turn 16 and get their driver's licenses this week. The six “little” girls are growing up so fast and helping their moms, and Ezra is 2, going on 12! Both of our boys are doing well, and God has truly blessed us with two precious daughter-in-laws. Trust the rest of December will be a time of Spiritual and family blessings for all of you.

Bearing the Precious Seed,
The Deneaus
